

## Space 4100 Manual Integrated

A staple of modern Scandinavian design, our Space range provides the perfect stylish touch to your living area. Sleek, modern lines and plush, padded cushioning covered with a luxurious fitted upholstery are what makes our Space recliners both stylish and comfortable. With our Space Manual Integrated recliner, receive an integrated footrest operated by pulling the release loop as you recline.

The Space 4100 Manual Integrated recliner presents subtle sophistication with a minimalist, elegant design theme. Characterised by a sectioned backrest cushion featuring subtle seam stitching, this enhances the soft cushion padding while providing added detail. With delicately curving armrests and a curved integrated footrest, this recliner achieves its own sense of modern elegance and convenience.

## The IMG Promise

## Features

### 1. Higher Grade Foam

Created through cold-cure foam technology, this ensures ergonomically correct seating posture and support which lasts.

### 2. Comfort-Precision Headrest

Adjustable head and neck support gives you the ultimate comfort in all seating positions, through simply tilting the headrest.

### 3. Manual Integrated Footstool

Receive a built-in footrest which unfolds with a gentle push on the armrests.

### 4. Steel Interior Springs

Located throughout the back and seat provide optimum support whilst cradling the body.

### 5. Comfort-Glide System

Allows the chair to adjust according to your natural body movements, distributing support across the body and reducing tension.

### 6. Solid Frame Construction

A steel and hardwood frame provides durability and strength.

### 7. 360 Swivel Function

Enabling you to turn in any direction with ease to ensure you never miss a moment.
