

Space 5300 Manual Integrated

A staple of modern Scandinavian design, our Space range provides the perfect stylish touch to your living area. Sleek, modern lines and plush, padded cushioning covered with a luxurious fitted upholstery are what makes our Space recliners both stylish and comfortable. With our Space Manual Integrated recliner, receive an integrated footrest operated by pulling the release loop as you recline.

The Space 5300 Manual Integrated offers luxurious comfort and relaxation with its supportive, welcoming design. A spacious backrest cushion featuring plush padding embraces the body, enhanced by deep line stitching, while the graceful curved armrests featuring wood veneer adds a touch of elegant style and detail. With an elegantly curved integrated footrest, this recliner also offers added comfort and convenience.

Features

1. Higher Grade Foam

Created through cold-cure foam technology, this ensures ergonomically correct seating posture and support which lasts.

2. Comfort-Precision Headrest

Adjustable head and neck support gives you the ultimate comfort in all seating positions, through simply tilting the headrest.

3. Height-Adjustable Headrest

Enabling the headrest to be adjusted for taller individuals.

4. Manual Integrated Footstool

Receive a built-in footrest which unfolds with a gentle push on the armrests.

5. Steel Interior Springs

Located throughout the back and seat provide optimum support whilst cradling the body.

6. Comfort-Glide System

Allows the chair to adjust according to your natural body movements, distributing support across the body and reducing tension.

7. Solid Frame Construction

A steel and hardwood frame provides durability and strength.

8. 360 Swivel Function

Enabling you to turn in any direction with ease to ensure you never miss a moment.
