

Welcome to Duke Modular Seating System, where sheer comfort and quality blend to perfection. Duke MSS Wall Saver comes in different configurations - including a "high" or "low" back and a "small" and "large" corner which allows for many possibilities to suite your needs. Available as one, two or three-seat reclining sofas, as well as different Home Entertainment combinations or as Modular Seating where you could include corner units. Motorized option is also available for all the seats or just the ones preferable to you. Duke MSS can easily be combined with RG Duke relaxer.

## BENEFITS

### NORWEGIAN QUALITY

The highest level of quality standards IMG's specialized reclining mechanism with integrated footrest sets us apart from others in the market.

With steel frame, bent hard wood and Cold-Cured molded construction you are getting furniture that will last the test of time.

### COLD-CURED FOAM CUSHIONING

This space-age material encases our interior steel frame and sinuous springs, allowing for the ultimate in body comfort.

### ADJUSTABLE HEAD AND NECK SUPPORT

Exclusive easy to adjust headrest system that allows for an infinite number of comfort positions.

### INTEGRATED FOOTREST AND EFFORTLESS RECLINING

Easily and effortlessly reclined by using inside handle or 2 button controls with the power option. Footrest automatically extends to give you the perfect fit and most relaxing position.

### THE CHOICE IS YOURS

Duke MSS Wall Saver comes in different configurations - including a "high" or "low" back and a "small" and "large" corner which allows for many possibilities to suite your needs. Motorized option is also available for all the seats or just the ones preferable to you. Combined with a Duke Relaxer will be perfect for a complete suite. You also have a choice of all leather and fabric option that IMG provides. See the IMG dealer nearest to you.

### WALLSAVER

With our Wall saver mechanism the sofa and chairs can be placed as close as 15 cm from the wall.

### WARRANTY

	10 years	on molded foam cushions and steel frames
	5 years	on mechanisms
	2 years	on motor and battery-parts
	2 years	on leather and fabric covers

DESIGNED IN NORWAY

See warranty policy for more details.

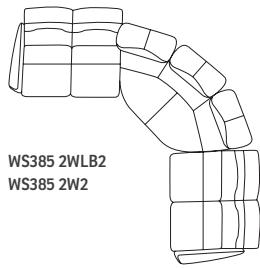

# DUKE MODULAR SEATING SYSTEM

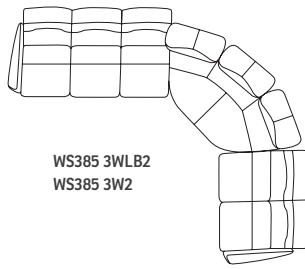

- A Adjustable head and neck support gives you ultimate comfort in all seating positions.
- B Effortless reclining and adjustable back rest angle as your heart desires.
- C Computer controlled injection molded cold-cure foam ensures ergonomically correct seating and comfort throughout all areas of the chair. The headrest is height adjustable for perfect fit.
- D The interior steel frame with sinuous springs encased in cold-cure molded foam ensures correct back and lumbar support.
- E Built with a solid hard wood and steel frame and IMG uses computer controlled injection moulded foam. This guarantees superior quality and durability.
- F Integrated footrest. The footrest can easily be unfolded by using the handle. To fold it in you should use your feet to press the footrest down towards the chair and move your body weight forward while seating.

## WALL SAVER MECHANISM

## MOTOR OPTION

- Duke can be delivered with two different mechanisms.
- Wall saver mechanism with inside handle (WS) (can be placed closer to the wall compared to Recliner mechanism)
  - Wall saver mechanism with motor (WM). The motor is made from one of the leading European motor supplier. Different plug-in cords are available according to regional/national specifications.

## HIGH and LOW BACK OPTION
